

# Acceptable Use Policy

## 1. INTRODUCTION

OPMC Limited's Acceptable Use Policy ("AUP") is intended to help enhance the use of our services by preventing unacceptable use. All users of OPMC's services (the "Services")- those who access some of our Services but do not have accounts ("Visitors"), as well as those who pay a monthly service fee to subscribe to the Services ("Members")-must comply with this AUP. We support the free flow of information and ideas over the Internet and do not actively monitor use of the Services under normal circumstances. Similarly, we do not exercise editorial control over the content of any Web site, electronic mail transmission, news group, or other material created or accessible over or through the Services, except for certain proprietary websites. However, in accordance with our Terms and Conditions, we may remove any materials that, in our sole discretion, may be illegal, may subject us to liability, or which may violate this AUP. OPMC may cooperate with legal authorities and/or third parties in the investigation of any suspected or alleged crime or civil wrong. Your violation of this AUP may result in the suspension or termination of either your access to the Services and/or your OPMC account or other actions as detailed in Section 3. This AUP should be read in conjunction with our Terms and Conditions.

A Member may not, through action or inaction, allow others to use their Services for illegal or inappropriate actions.
